Managers succeed by following the rules. Innovators succeed by breaking the rules. Invented in 2010 by Vadim Kotelnikov, a Nobel Prize 2021 nominee, Innoball helps innovators and change leaders to achieve greater results globally

# INNOBALL

Entrepreneurial simulation game

### Innovation Brainball

INNOBALL helps to
build entrepreneurial creativity
implement radical projects more successfully
assess project teams

Prepare to win wisely! Anticipate encounters with adversaries, see them as adventures and chances to enhance your strategic creativity!

INNOBALL is a part of Innompic Games – intellectual 'brother' of Olympic Games

# **Creation Show**

nnovation

**INNOBALL** contests are designed as a joyful show-like constructive competition

#### INNOMPIC GAMES 2017 **City enthralled by innovation clash**

Contestants had to prove the strength of their ideas and its ability to tackle social issues

PUNE: Young minds from various countries came together on Sunday to take up challenges and to deliver innovative solutions the global Innompic Games kick arted in Pune on Sunday Innompics Games is an intel lectual Olympics for change mak ers who are inspired to innovat and present their ideas to addres sues faced globally or by their nations. It is a platform where ideas are judged on the basis of how they can be implemented. Present during the launch ere Vadim Kotelnikov, founde and global coordinator of Innom pic Games; Rajendra Jagdale, director general and CEO of Scince and Technology Park (STP) ahtiar Bin Kasbi, general man ager, Teknoputra Division Uni ersity, Kuala Lumpur, Malay sia; Michael Zelin, automobile xpert, USA and Mabesh Kuma governing body member, Indian cience and Technology Entry oreneurs Parks and Busines cubator Association (ISBA) said that the world is being drive by technology and in

Making World Cup 2020 a more amazing event

# 1<sup>ST</sup> BRAIN-ADDED WORLD CUP Benefits for the Host Country
